Related Experience

First Citizens Bank – Spartanburg, S.C. **May 2025-Aug 2025**

Sales and Service Representative

- Processed 150+ daily financial transactions (withdrawals, deposits, payments, account information) using D1 banking software with 99%+ accuracy while maintaining strict adherence to federal regulations and internal compliance standards.
- Conducted daily cash audits and balance verification on $10K+ in branch funds, identifying and resolving discrepancies to ensure zero end-of-day variances and strengthening internal controls.
- Delivered service to 40+ clients per shift across in-person, drive-through, and phone channels, improving transaction efficiency and supporting cross-selling of bank products while ensuring full regulatory compliance.

Hudson Liquor – Greer, S.C. **Aug 2025-Sept 2025**

Assistant Manager

- Managed and optimized 900+ inventory SKUs using RetailPos, improving inventory accuracy and reducing stock discrepancies through structured tracking and reconciliation.
- Conducted weekly pricing and profit margin analysis, contributing to improved product turnover and data-driven purchasing decisions.
- Coordinated with four distributors to maintain optimal inventory levels, minimizing stockouts and ensuring consistent operational performance.

Professional Extracurricular Activities

Kappa Theta Pi (KTP) – Professional Technology Fraternity **Jan 2026-Present**

- Participating in professional and technical development workshops focused on technical interviewing, career preparation, and emerging technology trends.
- Supporting a university-led technology initiative aimed at streamlining operations for a campus resource center serving underserved student populations.

Epsilon Sigma Alpha (ESA) – Professional Service Fraternity **Feb 2025-Present**

- Completing 25+ community service hours per semester across national, local, and university initiatives.
- Contributed to chapter fundraising and service events benefiting organizations such as St. Jude and Easterseals, helping drive community engagement and charitable impact.

USC Women in Business (WIBC) **Aug 2023-Present**

- Engaging in bi-weekly sessions with business professionals, gaining exposure to corporate strategy, leadership development, and industry best practices.
- Partnering with a team to evaluate a real-world business challenge through research and analysis, delivering structured recommendations in a formal presentation setting.
